

## TRANSITION - GETTING TO KNOW YOU MAT BOARD GAME

Our Transition Mat is a fun and effective way for teachers and pupils to get to know each other and is a fun icebreaker activity. Ideal for a new class and can be used if a new child joins your class.

- ❖ The mat will help pupils to get to know each other when moving up as part of transition to a new class.
- ❖ The dice can be thrown and pupils answer the question it lands on, or, if two dice are thrown, the numbers then form the grid reference. E.g. if a 3 and a 4 are thrown, this is grid reference (3,4) and that question is chosen.
- ❖ The dice can then be thrown again for another child.

Simply print out both sheets, place back-to-back and laminate. Alternatively enlarge to A3 on a colour photocopier.

Also included is a black and white version too.

Have fun!

6	What is your favourite memory of school?	If you could visit any place in the world, where would you choose and why?	If you had three wishes what would they be?	You have access to a time machine. Where and when in history would you travel to?	Tell us a time when you achieved something and how it felt!	If you could pretend yourself anywhere in history, where would it be and why?
5	What was the best part of your last holiday?	What is your ideal dream job?	Tell us about one place or something interesting about you.	Name two of your favourite authors.	If you had to describe yourself in three words, it would be...	What is one food you would never want to taste again?
4	You have just won the lottery. What would you buy?	What habits or interesting things about you that you dislike?	Name three things you would save from your burning house.	What are your favourite hobbies?	What is one goal you would like to accomplish during your lifetime?	Name one of your favourite things about someone in your family.
3	If you were an ice cream flavour, which one would you be and why?	What colour is Friday?	Tell a funny joke.	If you could be invisible for the day, what would you do and where would you go?	If I could be anybody besides myself, I would be...	If you were a Mr. Man character, which one would you be?
2	If you could have any super power, which one would you choose?	If you could get an endless supply of food, what would you get?	What is the weirdest food you have ever eaten?	Have you met anyone famous? Who would you like to meet?	Tell us a time when you got into trouble.	If you had to get up one of these people which would it be and why?
1	Would you rather be very hot or very cold? Why?	What is your favourite film and why?	Name a gift that you will never forget.	If you were an animal, what would you be and why?	What sword would you like to use and for what achievement?	Name something that you really like about yourself!
